PHILOSOPHY

From artistic concept to installed *masterpiece.*

We bridge creative vision and technical reality — combining traditional artisanal craft with advanced engineering to produce works of enduring significance.

ART FABRICATION

Translating complex designs into physical form with absolute fidelity.

BESPOKE SCULPTURE

One-of-a-kind statement pieces tailored to specific architectural volumes.

LUXURY MATERIALS

Premium alloys, rare finishes and high-performance coatings.

ENGINEERING

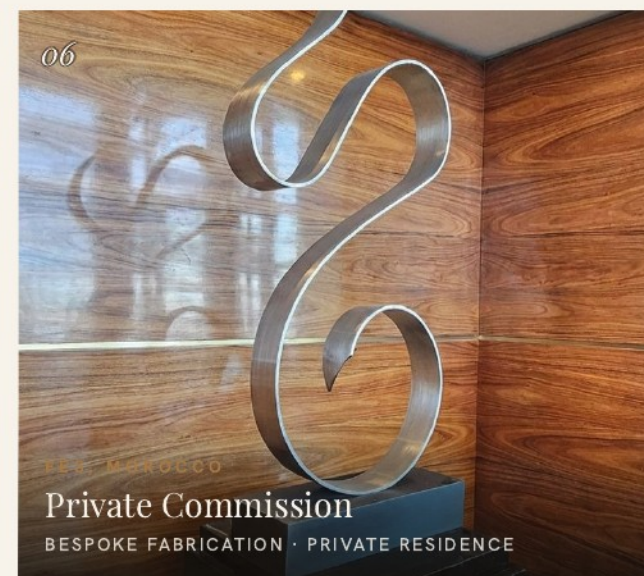

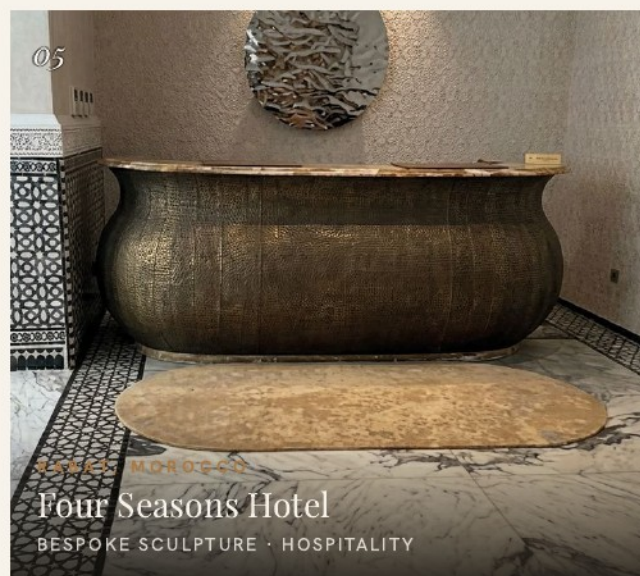

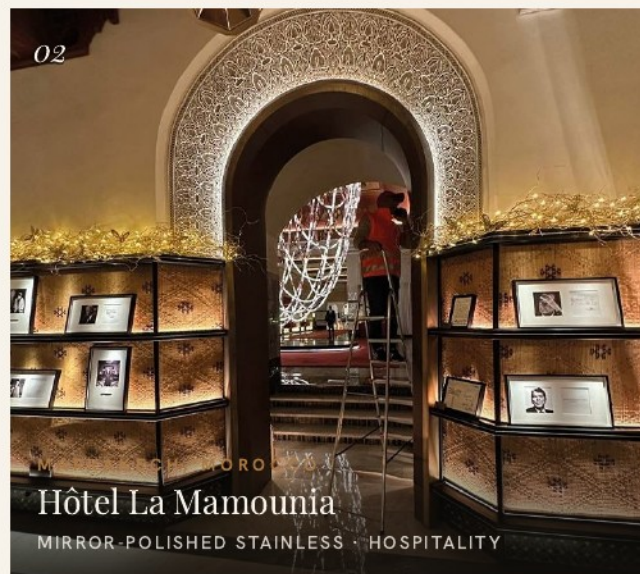

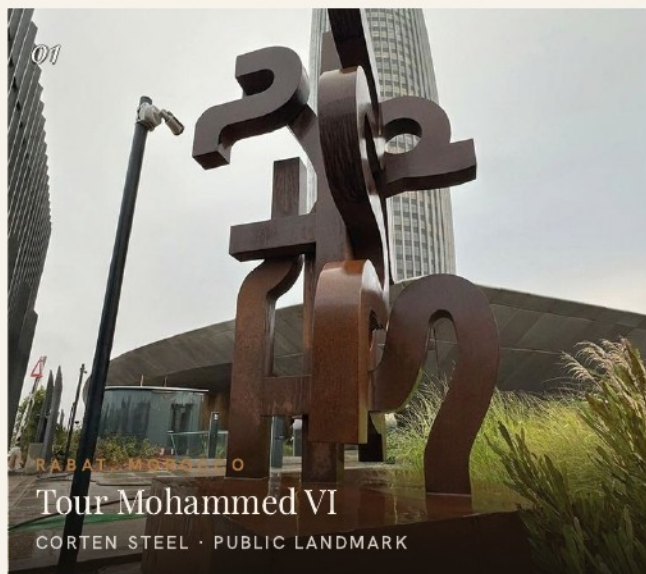

Structural integrity and seamless installation, public or private.

Precision in bronze

HAND-WELDED · ATELIER CASABLANCA

SELECTED PROJECTS

Realised works across luxury destinations.

FEATURED COMMISSION

Tour Mohammed VI

A suite of monumental sculptures for the Tour Mohammed VI district in Rabat — a soaring stainless-steel wing, a corten landmark and a bronze tree — each conceived as a permanent gesture in the open air.

THE BRIEF

Anchor the district's public realm with works that embody its ambition.

THE CONCEPT

A family of forms — flight, time and growth — rooted in Moroccan craft.

THE CHALLENGE

Wind loading, structure and weathering across three distinct materials.

THE RESULT

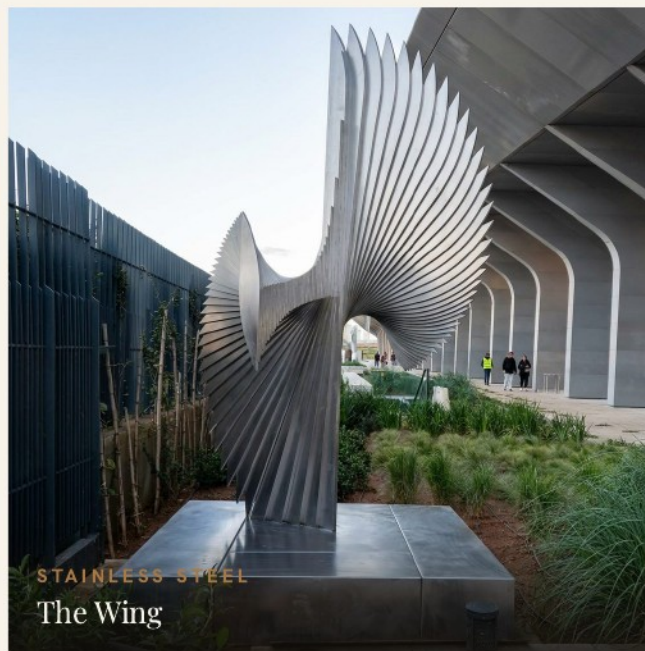

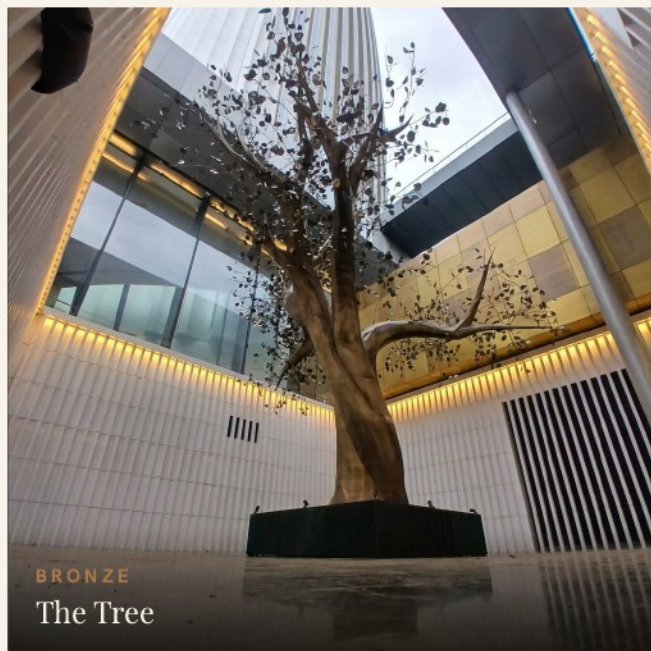

Permanent, photogenic landmarks — locally fabricated to international standards.

Materials — Corten Steel · Stainless Steel · Bronze. Full specifications available on request.

TOUR MOHAMMED VI · RABAT

Three works, *one commission.*

A suite of monumental sculptures for the Tour Mohammed VI district — in bronze, stainless steel and corten — each conceived as a permanent gesture in the open air.

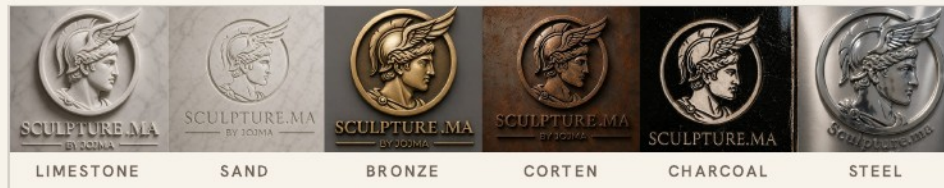

THE STUDIO

We transform artistic vision into installed masterpieces.

At Sculpture Maroc we believe extraordinary spaces deserve extraordinary art. Our mission is to turn creative intent into enduring sculptures that elevate environments and inspire meaningful connection.

We partner with visionaries in luxury hospitality, architecture, design and art advisory to create bespoke works as timeless as they are distinctive.
